[21 groups unrecoverable]

Notes: (a) There is some doubt about the interpretation of the word OFORMLENIE
in this context. It could mean formalities connected with legisla-
tion or registration. It seems unlikely to have been used in a
conspiratorial sense i.e. "processing [of an agent]".

(b) This can mean to transfer in a financial sense, or alternatively
to "list, enumerate, set down".

Comments: (i) VIKTOR : Lt. Gen. F. W. FITIN.

(ii) OSWALD : Probably Asbjorn SUNDE, a leading member of the Communist
underground in Scandinavia during the war.

(iii) O. : I.e. OSWALD.
